Very nice 3BR/2BA home on 1.34 acres. This home has 1525 sq. feet of living space and comes with stainless steel appliances, an updated kitchen, large back deck, master bedroom and bath, beautiful hardwood floors and new carpet. If this doesn't make you want to see more, just look at the pictures- they'll make you want to see it in person. Price to sell- this won't last long.
